

SAN SIMEON

FAMILY OWNED SINCE 1917

MONTEREY 2018 PINOT NOIR

TASTING NOTE

San Simeon Pinot Noir is a rich, fruit-driven wine with ripe flavors of strawberry and raspberry. The mouth is soft and round with a lingering finish. Aromas of bright red fruit, cinnamon, and oak spice are revealed on the fragrant nose.

FOOD PAIRING

The San Simeon Pinot Noir shines with all classic Pinot pairings. Some particular favorites are pork, salmon and mild cheeses.

WINEMAKING

San Simeon Pinot Noir comes only from the best lots that our estate vineyards have to offer. Small lots are picked and fermented individually with minimal intervention to allow the true expression of the soil and climate. The wines are matured in a unique selection of hand-crafted French and American oak barrels.

WINEMAKING TEAM

Beginning life in our sustainably-grown vineyards, the best lots from each estate are hand-selected by our winemaking team. San Simeon Wines are fermented and aged in our state-of-the-art winery.

With over 60 years of combined experience, our winemaking team is comprised of Anthony Riboli, Arnaud Debons, and Ben Mayo. With the use of 100% estate-grown fruit, San Simeon wines represent the pinnacle of vineyard to bottle winemaking.

SUSTAINABILITY

Sustainability is our top priority. Our Paso Robles and Monterey vineyards are certified sustainable by CSWA. At our Paso Robles winery, solar panels provide 100% of the needed electricity, and wastewater is effectively reclaimed and recycled for additional uses.
